

## SMP 16-19 Pure 1 (AS): Functions and Calculus (School Mathematics Project 16-19)

SMP 16-19 Pure 1 matches the Pure 1 module of the new AQA Advanced Subsidiary and Advanced Level Mathematics specification A. Adapted from SMPs successful 16-19 Mathematics course, it uses a highly motivating approach which develops ability and confidence in mathematics and its applications. It continues the SMPs tradition of accessibility, attractive presentation and motivating activities, all of which ease the transition from GCSE to A level mathematics. Each section of every chapter is followed by an exercise; answers are given at the back of the book.
