

## Color-Full

This is a one-of-a-kind guidebook for those seeking to provide their children with a uniquely valuable experience. Bringing up bilingual children is a challenge and this book helps parents meet that challenge. Experts say by both pairing a familiar object with the color and then providing your child with frequent experiences with the color; books on bilingualism and language teaching methods. Spanish is one of the most used languages in the world and its one that is relatively easy for English speakers to master. Teaching a child his or her colors is an important part of the learning experience. This book is for the parent or teacher that is trying to educate using real life examples in both English and Spanish.
