Read Write Inc. Comprehension Plus is a language programme for upper juniors. The resources for each year are an Anthology, a Pupils Book, a Teachers Handbook and a CD-ROM (PC only). Work centres around the texts in the Anthologies, which contain a selection of complete poems, play scripts and non-fiction works. There are both newly-commissioned and previously published texts written by leading authors including: Michael Morpurgo, Roger McGough, Jeremy Strong, Geraldine McCaughrean, Pie Corbett, Adrian Bradbury, Louise Kuenzler and Gill Howell. Children are introduced to the text in a structured, teacher-led way, involving three readings of the text at increasing depth. A range of reading, writing, speaking and listening and drama activities develop understanding further. The Big Question links the fiction and non-fiction elements, encouraging children to reason, debate and think critically about the texts they have just read. Read Write Inc. Comprehension Plus uses the successful methods of Ruth Miskin's Read Write Inc. teaching pedagogy, including effective ideas for partner work and classroom management strategies. Speaking and listening is at the core of the programme and is integrated throughout. The programme is a perfect match to the renewed Framework. Text types have been chosen to support the PNS unit plans and writing support is also provided. The Teachers Handbooks show clearly how Framework objectives for England and QCDA Assessment focuses are covered, and show links to the Scottish, Welsh and Northern Irish curricula. (Please note that the CD is PC only.)
