

Scholarship Opportunities Guide to the Best & Worst Scholarship Search Sites & Apps (Get a Degree without Drowning in Debt Book 3)

Are you a student or parent worried about how to pay for college and how much money you'll have to borrow? Have you gone online only to find so much information you feel overwhelmed and stuck? You're not alone! This book will save you countless hours of time on scholarship sites that yield poor results in exchange for obtaining all your personal data. It reviews dozens of search sites, web portals, and mobile apps to help you select those with the best payoff so you can spend your time actually applying for scholarships instead of completing lengthy student profiles and searching.
