

Insight Guides: Australia

APA Publications has taken on the vastness of the sunburnt country and mapped its distances, wonders and foibles. An expert team of resident writers and photographers leads the way through its ancient landscapes and multi-cultural cities, its surf-jewelled coastline and brief, albeit crowded hour of recent history. **INSIGHT GUIDE: AUSTRALIA** compellingly unfolds the stories of this continent, from Arnhem Land Aborigines to Sydney Harbour-side dwellers; from the Red Centre and Ayers Rock to the colorful coral kaleidoscope of the incomprehensible Great Barrier Reef. With more than 350 pages of text, maps and brilliant photographs, Australia is the essential book for visitor and armchair traveller alike.
