

# Teachers Bag of Tricks: 101 Instant Lessons for Classroom Fun! (Kids Stuff)

This wide assortment of art activities, word games, puzzles, brain teasers, and calendar ideas is sure to yield a solution to your problem. There are 101 ideas, ready to fill in those what-will-I-do-now? moments during math, science, reading, spelling, writing or art. Each activity is self-contained, requiring no special equipment or elaborate, hard to assemble materials. Many are also suitable for use as introductory motivation or to reinforce and extend a lesson or unit of study. These high-interest activities will help you involve your students in meaningful learning projects with a minimum amount of pre-planning. Don't get caught in an unplanned moment! Just pull out your Bag of Tricks and enchant your students with these exciting activities. Both you and your students will be glad you did!
